WE COME AS STRANGERS
EACH WRAPPED IN HIS OWN THING
WE MEET AND WITH EACH NEW
ENCOUNTER WE BECOME OLDER
AND WISER,
AND LEARN TO REACH OUT AND
TO LOVE. THIS IS THE
REFLECTION OF GROWTH.

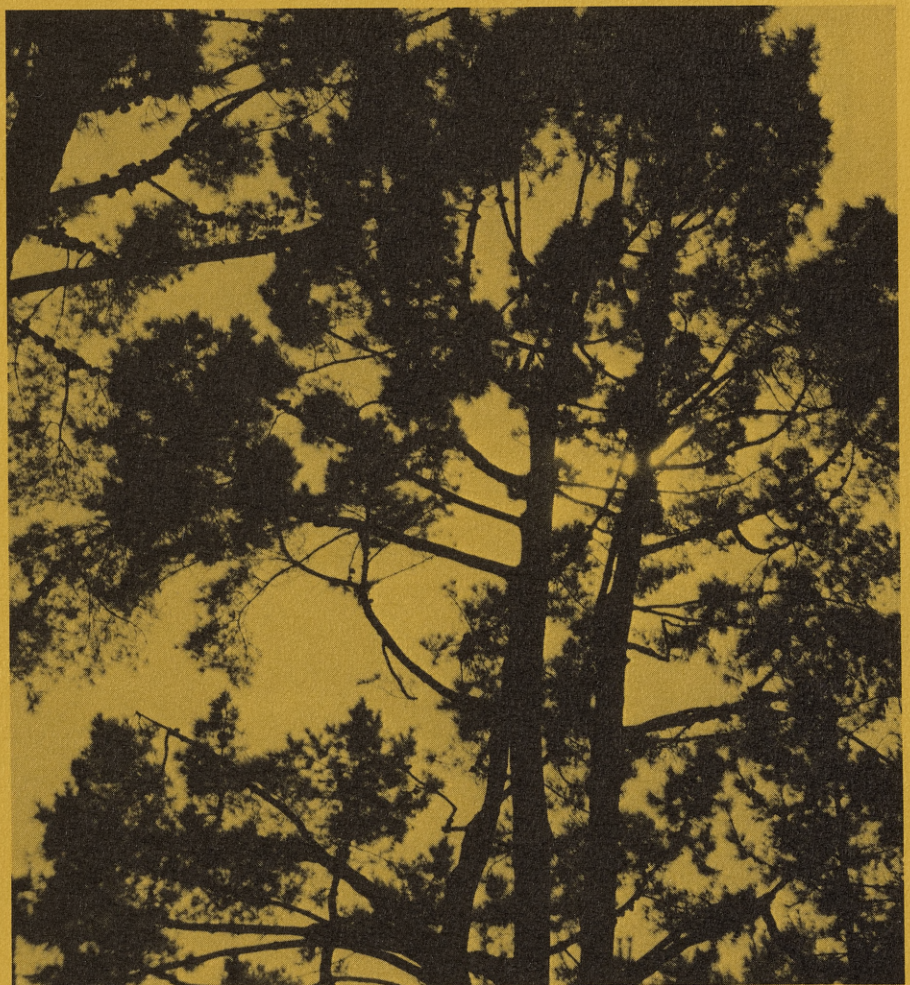

SHARON GRAY

REFLECTIONS · 1972 ·

TO BE OF FEW WORDS
AND TO BE OF MANY ACTIONS
IS TO FOLLOW THE PATH OF NATURE.

NOTHING IS MORE WONDROUS THAN
A HUMAN BEING
WHEN HE BEGINS TO DISCOVER HIMSELF.

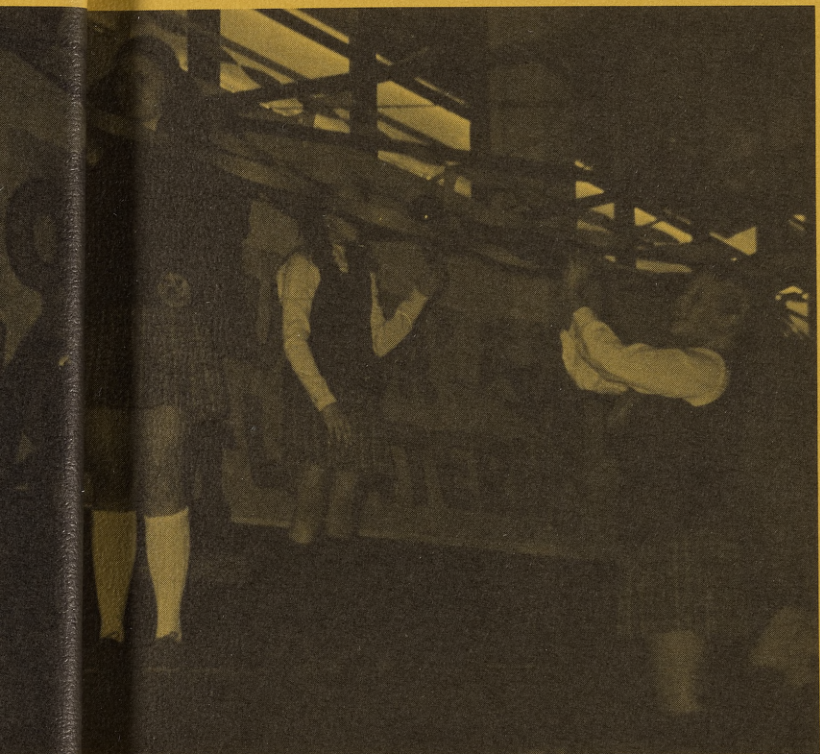

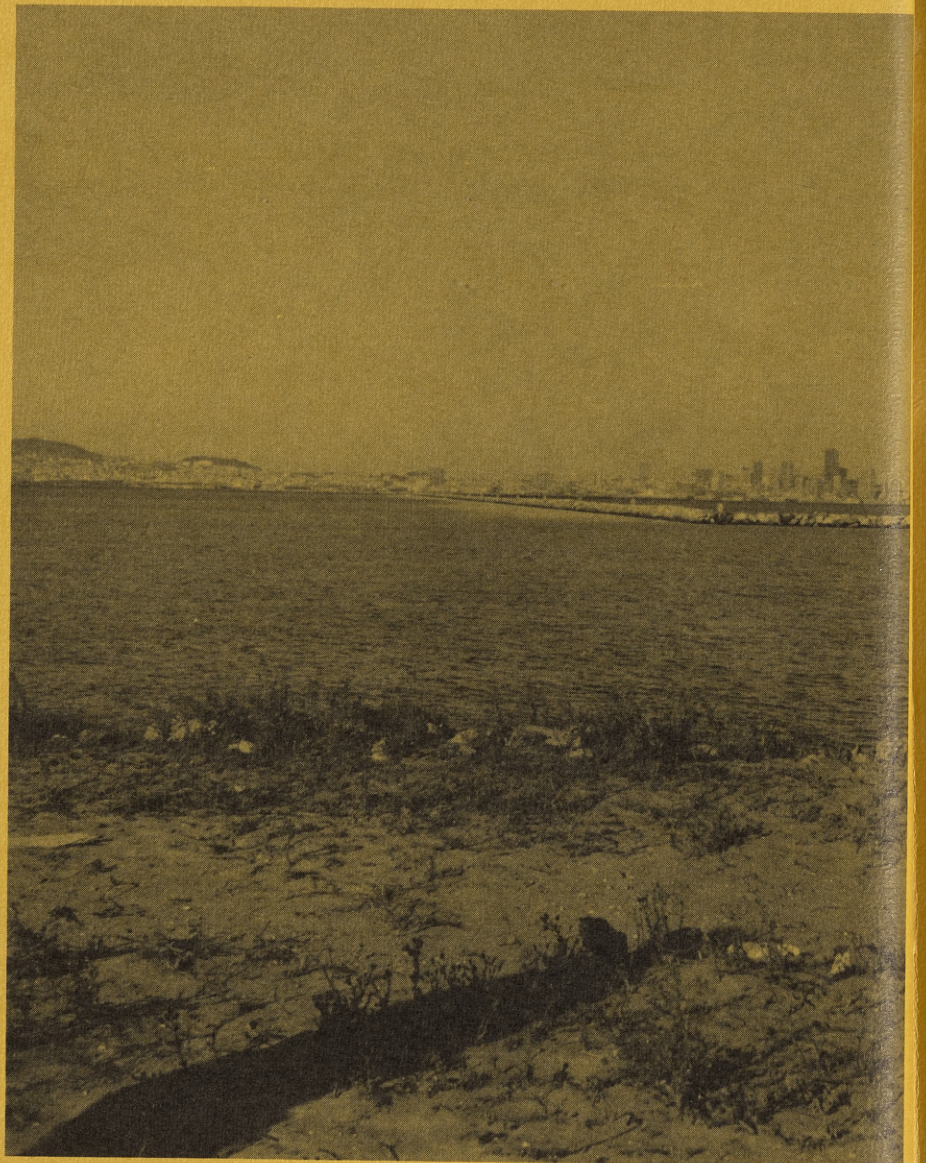

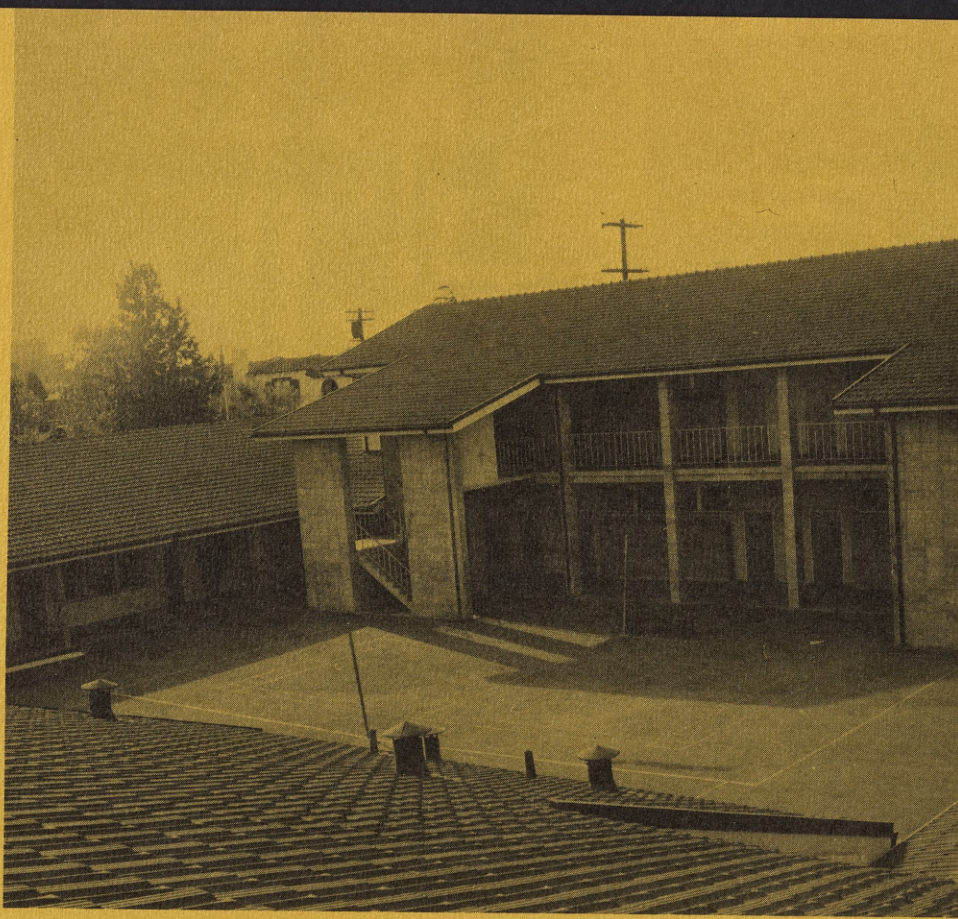

'TIS NOT ENOUGH TO HELP
THE FEEBLE UP,
BUT TO SUPPORT HIM AFTER.

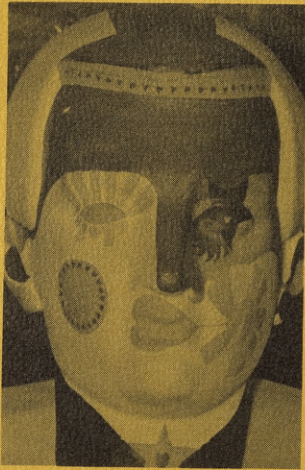

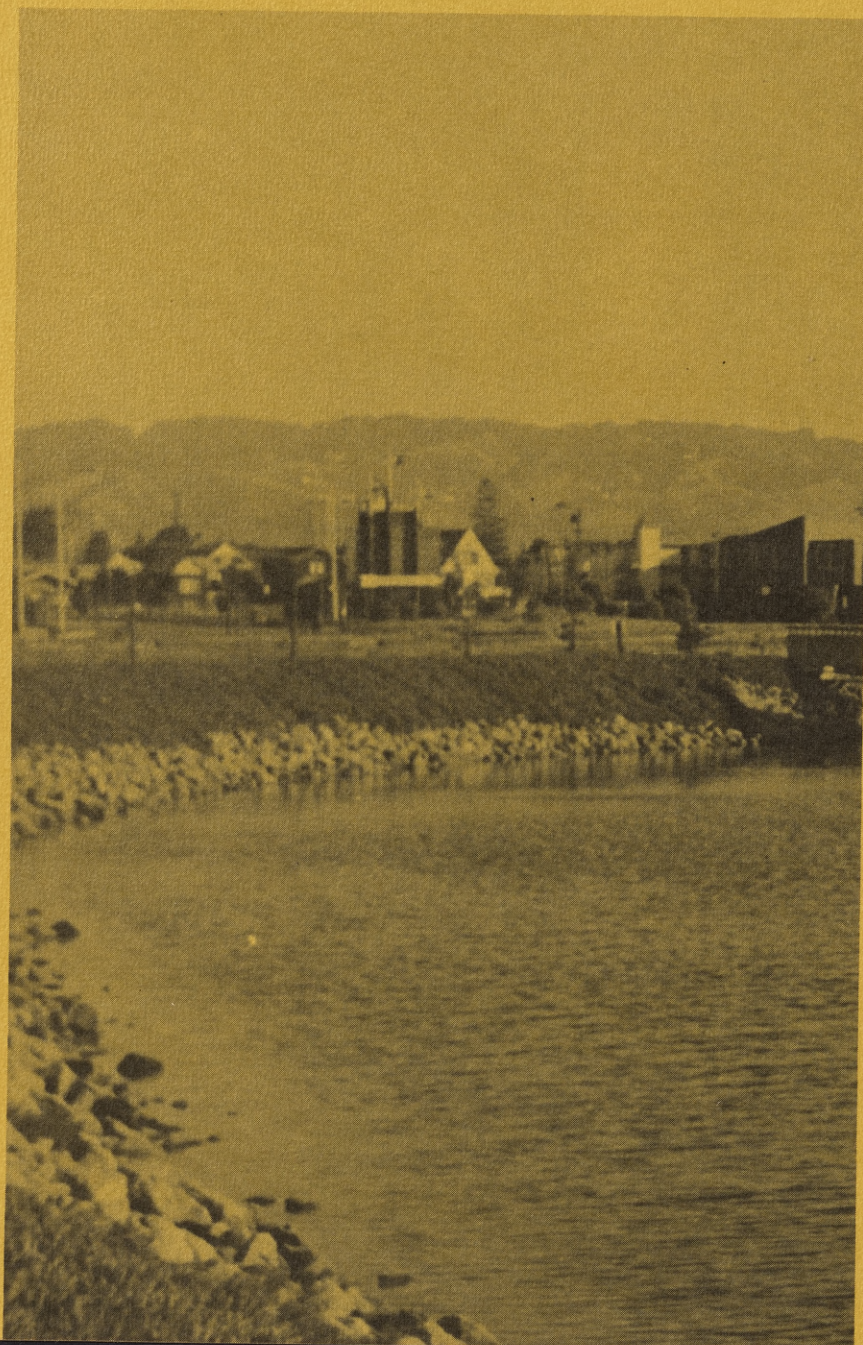

DO NOT FEIGN AFFECTION.
NEITHER BE CYNICAL
ABOUT LOVE; FOR IN THE
FACE OF ALL ARIDITY AND
DISENCHANTMENT IT IS
PERENNIAL AS THE GRASS.

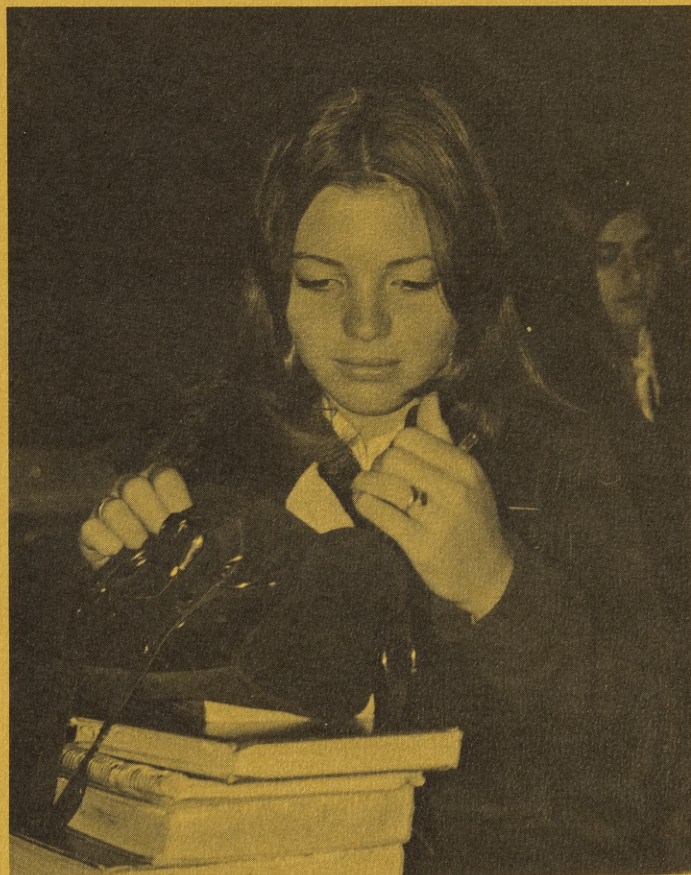

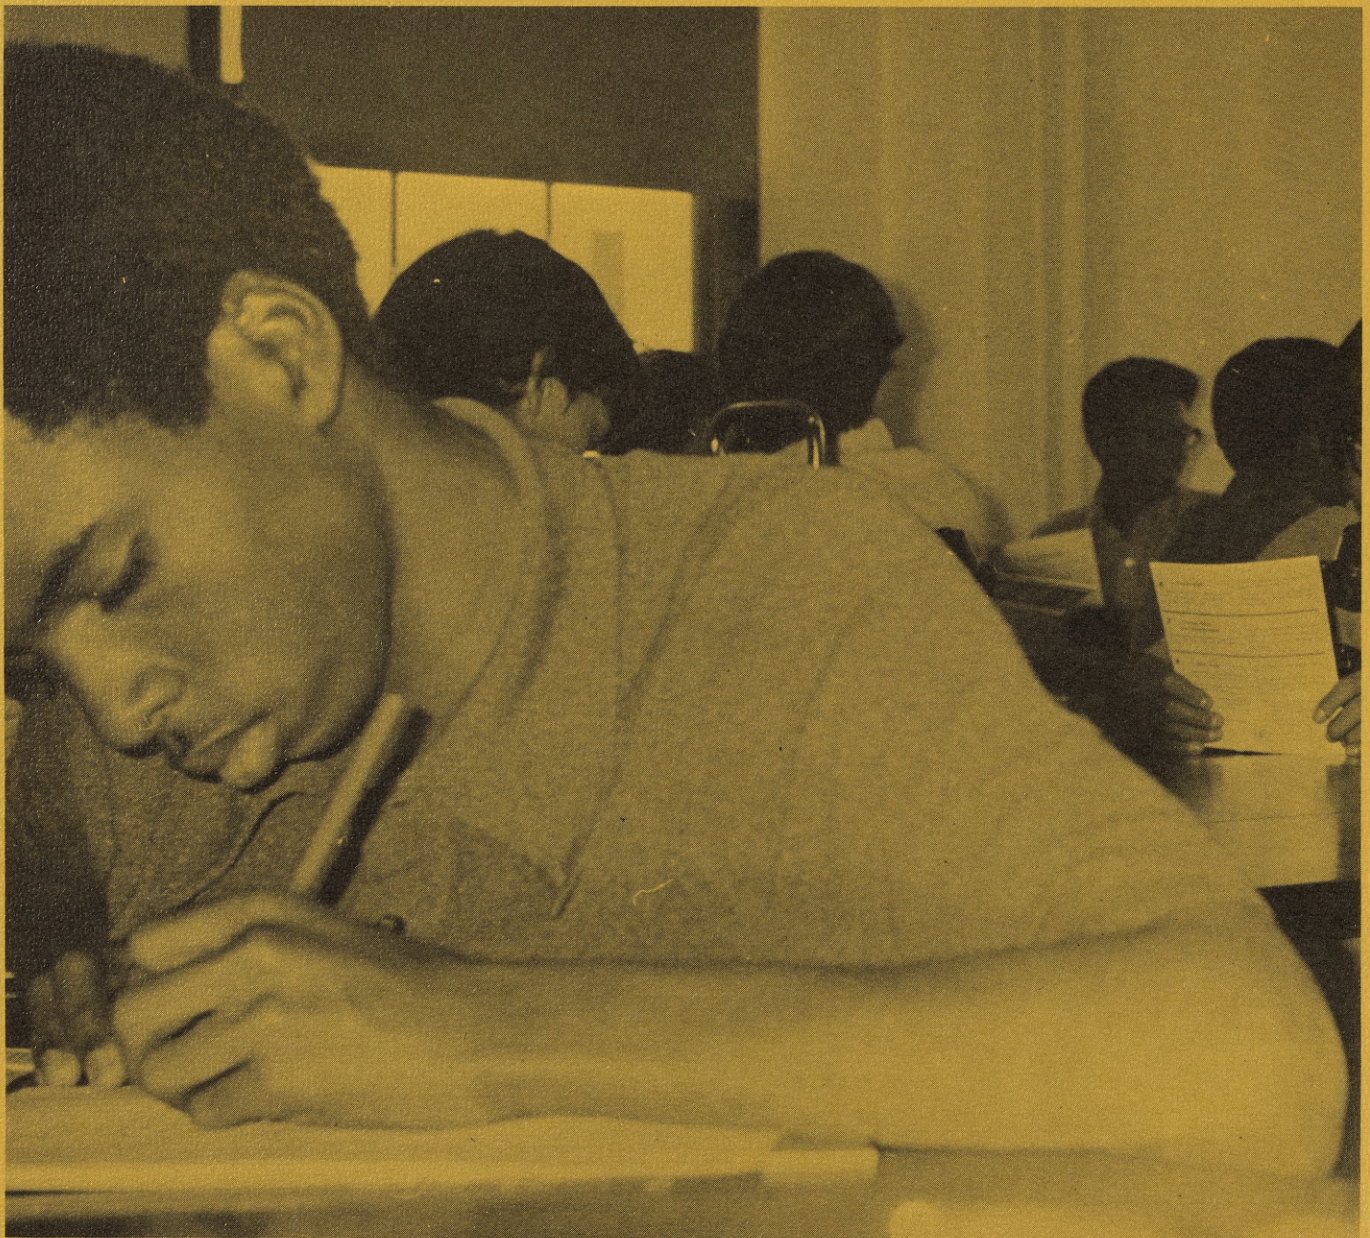

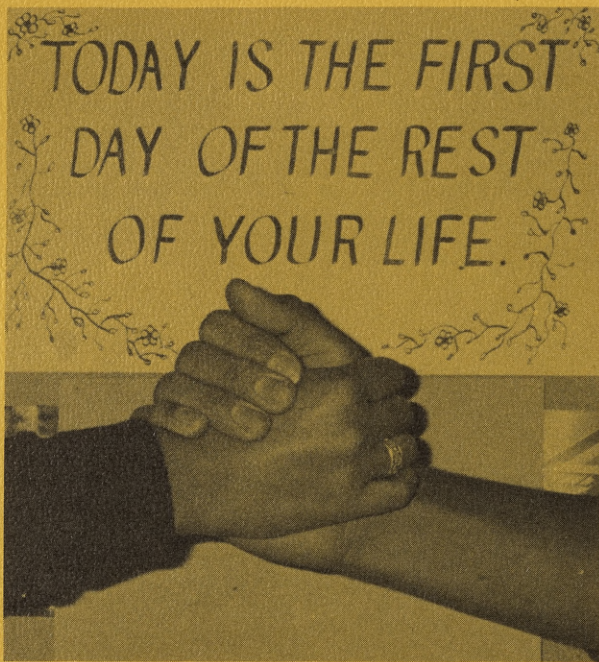

IT'S MY HAPPY HEART
YOU HEAR,
SINGING LOUD AND
SINGING CLEAR.

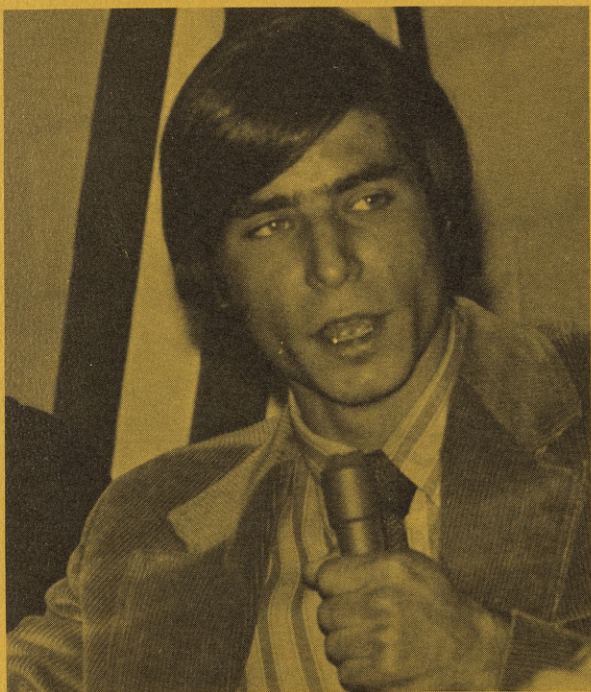

IF THERE BE SORROW
LET IT BE FOR THINGS
UNDONE...UNDREAMED,
UNREALIZED,
UNATTAINED...
TO THESE ADD ONE:
LOVE WITHELD,
RESTRAINED.

THE YOUNG ARE NOT
ONLY THE HOPE OF
TOMORROW...
THEY ARE THE HOPE
OF TODAY.

IF MOST PEOPLE WERE TO BE
BORN TWICE, THEY'D PROBABLY
CALL IT DYING. WE CAN NEVER
BE BORN ENOUGH. WE ARE
HUMAN BEINGS; FOR WHOM
BIRTH IS A SUPREMELY WELCOME
MYSTERY; THE MYSTERY OF GROWING:
THE MYSTERY WHICH HAPPENS
ONLY AND WHENEVER WE ARE
FAITHFUL TO OURSELVES.

"OBSERVE THE TIME"

Such were the words and warning of yore, on the tower clocks. These words now serve as a clarion call to the Golden Jubilee Year of our Saint Joseph's Church in Alameda. "Observe the time." The half century mark of this Consecrated Temple of God is here, and now rightly to be con-celebrated with our schools by way of an awareness of the past, of the present, and of the future. For the Church has been the head, the heart, and the life blood of the schools. These schools have been part of a system of private schools that has astonished people from all parts of the world --often considered well-nigh the "eighth wonder of the world." For it is a manifestation of the courage, the sacrifices, and the determination of the laity, the religious and the clergy. Lives, talents, energy and time were given to the work of teaching and training. Certainly what transpired on the local scene verifies this noble, holy and colossal project. Few parishes are blessed with two high schools and an elementary school, which serve as facilities for the Confraternity of Christian Doctrine program. This record is indeed one of golden thoughts, golden words and golden actions.

In very recent years and presently a creeping paralysis of secularism has attempted to neutralize our efforts and to become a threat to our well-being and progress. A re-awakening of purpose and rededication to lofty ideals will save us from disaster and will guarantee a flourishing future. Indeed that future is capable of surpassing the glorious record of the past, a record made not to stand on but to build on!

We have what it takes, namely, the Faith and the content of that Faith of Christ and of the Church that scatters doubt, calms fear, banishes anxiety and purifies the dark and heavy atmosphere in which man sighs rather than breathes, tortured as he is by the problems and uncertainties which surround him on every side. Our look to the future goes beyond time and space. Our look to the future envisions eternal happiness in the Life of God. Our purpose is to stress both the majesty, the jurisdiction, the wisdom and the justice of God, as well as to uphold the sacred character of man, his divine origin and destiny, his responsibility to God, to God's people and to the entire creation, which is of greater importance now than since the dawn of Christianity.

All of this is the work of the Church in the time that is left for each one of us. Without the Church we would not and could not have our schools. May all of us who have seen this House of God in its first glory see it now as the hope of the future. This must be done in the time that is left after a record of Fifty Golden Years.

A combined Student Council meeting at which students discuss plans for coming school activities.

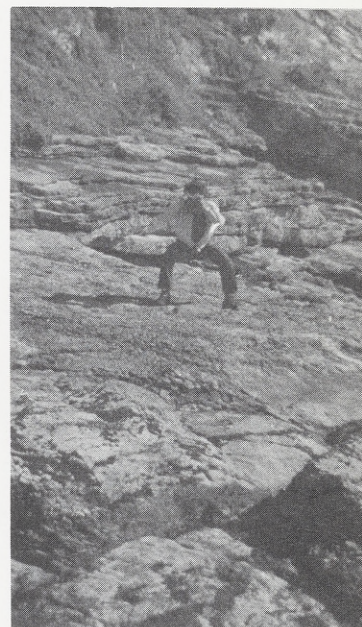

Under the direction of Paul Tyler and Chris Androtti both Student Councils had a very active year. Paul Tyler managed to activate many successful reforms: he established an after-school recreational dept., set up a party election system for the '72 student elections and sponsored a mission drive for the people in West Pakistan. Chris Androtti and Student Council also organized several activities: a candy drive, inter-school pin pong and badminton tournaments, school luncheons and school dances.

Both Student Councils were very successful in stimulating and encouraging school spirit and togetherness.

The 1971-72 Pilors have put together a very impressive 23-7 record going into the finals at Cal. State. The key to the Pilot's success is a sound and aggressive defense. Offensively the team is very well balanced with four starters averaging double figures. Larry Deal was the leading scorer and rebounder while Andre Hill, John Labre, John Holstien, Dave Ratto, and Vernon Williams made significant contributions.

The Pilot J.V. team finished the season of 1972 with a second place title in the C.A.L. The team was paced by the scoring and rebounding of Henderson McDaniel who averaged 17 points per game. He was assisted by Jerry Lanford, a capable forward, who also hit the double figures. The guards Jim Eyen and Steve Martinez are both very fast and good ball handlers. There should be a lot of talent for next year's team.
